1. Apologies	
Ed Dodd, John Carter (WC), Gary Tomsett (WC), Jim Wilkinson (EA)	
2. Minutes of the previous meeting	
<p>Minutes of the previous meeting were accepted.</p> <p>PS reported that since the last liaison meeting Hills and Dorset & Wiltshire Fire Rescue Service had held a meeting the outcome of which was extremely favourable and the intention is to offer training / presentations to DWFRS personnel where best practice and expertise can be shared so that both parties have a better understanding of how each party works and in particular when attending to fires at waste management facilities. Following the meeting DWFRS undertook a site audit and reported that the fire prevention systems and management plans on site are in good order.</p>	
3. Update on site operations	
<p>Site Operations PS confirmed that operations were running smoothly with no breakdowns or issues reported. PS confirmed that the plant operates 24/7 with systems running constantly.</p> <p>Environmental Compliance PS confirmed that no complaints regarding flies, odours or any other matter had been received at the site since the last meeting.</p>	
4. Planning applications	
<p>Transfer Station PS confirmed that planning permission had been granted for the transfer station but that no date had been set for the start of construction. In response to a question from committee members, MH was asked to find out of this new transfer station would have a liaison committee and if this would be combined with the NRRC</p>	HILLS

liaison committee.	
<p><u>ATT / Northacre Renewable Energy</u> PS advised that following the refusal of planning permission NRE was talking to its various stakeholders in the project on the next steps for this project.</p> <p><u>Lower Compton / Sands Farm facility, Calne</u> In response to a question from the committee, MH explained the 5 planning permissions which had been granted to Hills in relation to the Sands Farm facility.</p>	
5. Any other business	
There was no other business.	
6. Next meeting	
The next meeting will be held on Thursday 22 November 2018.	ALL
